### TRAVIS COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

## Help Identify Community Needs in Travis County During Public Meetings in March 2016

Travis County invites the public to participate in community forums where residents will have an opportunity to present community needs and recommend projects for Community Development Block Grant (CDBG) funds for usage in the unincorporated areas of Travis County. The information collected in the forums will guide the selection of CDBG projects for the Program Year 2016 (October 2016-September 2017).

The CDBG program is funded by the United States Department of Housing and Urban Development (HUD) to benefit Travis County low- to moderate-income residents who live outside any city limit or in the Village of Webberville. The program supports community development activities aimed at revitalizing neighborhoods, improving affordable housing options, and providing improved community facilities and services. For program year 2016, Travis County anticipates to receive an estimated \$1,075,760.

The forums will be held according to the following schedule:
